WEEK 15 11/18-22

CLASSROOM NEWS

Texas Creative Curriculum (TXCC) Focus:

Wheels: What have we learned about wheels?

Alphabet Knowledge: Forming Letters: B, P, R, K, Q (Introduce diagonal lines)

Heggerty: Week 14

Juan Pablo Skills: Making Good Independent Choices: *I have my **own** brain; I can make my **own** choices*

Mathematics: 100 Day Pattern: yellow and green triangles, numbers 67-71.

Books: There Was an Old Lady Who Swallowed a Turkey, A Turkey for Thanksgiving, T'was the Night Before Thanksgiving, and The Night Before Thanksgiving

Activities: What have we learned about wheels? Letter and number search games, "I am thankful for..." craft activity, Snack Feast

Writing Support: We have noticed that many of our students are still working on using a tripod grasp during writing and drawing activities. Please encourage a pincer grip by having your child use broken crayons to write/color/draw with at home. Many of our students have difficulty writing uppercase letters by starting at the top and moving from top to bottom and left to right. We sing a song "Where do you start your letters? (At the top)" You can help support your child by drawing a small smiley face at the top, left corner of the page to show where the top is.
