

BOERNE REMOTE CONFERENCING

A GUIDE FOR PARENTS & Students

1

STUDENT LOGIN INFO

Parents of K-2 students will get a Skyward notification with student login information. Students in 3rd-12th have created their own passwords.

2

REMOTE CONFERENCE CLASSROOM

Once approved by HR, students will be invited to the appropriate Remote Conferencing Google Classroom. Please allow up to 24 hours for this process

3

GET TO KNOW YOUR CLASSROOM

Students are responsible for completing coursework through their regular Google Classroom or Seesaw.

4

USE GOOGLE CHROME

Make sure you have the correct browser for the district. You must log into your Student Portal using Google Chrome and BISD student account.

5

BE READY TO LEARN

Show up ready to learn and connect!

- Be on time.
- Be dressed appropriately.
- Be in a good learning space.
- Be visible on screen.

TIPS

1. If you are new or forgot your username or password, go to [Boerneisd.net/students](https://boerneisd.net/students) and select "SSRPM Password Reset Portal".
2. Test out the microphone and camera on your computer before class.
3. Remember to mute your microphone when not speaking.
4. Headphones are recommended to help students focus and hear.
5. Your Student Portal is where ALL of your important school applications are stored. Be sure to become familiar with that space.
6. Be sure to check your school email (username@boerneisd.net) multiple times a day.
7. Visit the school web page for more information: boerneisd.net/yourcampus
8. Make sure to bookmark the district Learning at Home site: bit.ly/BISDathome for tips, tutorials & resources.
9. We understand this is a new way to approach learning, remember to reach out to your teacher with questions, big or small.
