

Health Screenings

Staff

Teachers and staff are to self-screen at home for COVID-19 symptoms before coming onto campus each day, including taking their temperature.

Any staff member displaying COVID-19 symptoms will be asked to immediately notify their supervisor and stay home

Students

Students should self-screen for Covid-19 symptoms each day before arriving to campus, including taking their temperature.

Any student displaying COVID-19 symptoms should stay at home and consult with a medical professional regarding school participation

Symptoms of Coronavirus (COVID-19)

Has your child recently begun experiencing any of the following in a way that is not normal to them?

Symptoms can also include: difficulty breathing, shaking or exaggerated shivering, diarrhea

Symptoms can range from mild to severe & appear 2-14 days after exposure to the COVID-19 virus

Seek medical care immediately if someone has emergency warning signs of COVID-19:

- Trouble breathing
- Persistent pain or pressure in the chest
- New confusion
- Inability to wake or stay awake
- Bluish lips or face
