

ENHANCED SANITATION

Boerne ISD Custodial Staff will use a team cleaning process with CDC recommended disinfectants that are proven to kill viruses like COVID-19, as well as others, and are certified safe for schools.

Classrooms will be deep cleaned and sanitized at the end of each day.

Custodial staff will frequently wipe high-traffic surfaces, including hand rails, door handles, counter tops and other horizontal surfaces over the course of the day.

Additional hand sanitizer dispensers will be placed throughout campuses in easily accessible and high traffic areas and maintained throughout the day.

Custodial staff will also use a disinfectant fogger to complement the regular cleaning process at the end of each day.

Custodial staff will increase the frequency of cleaning and disinfecting of restrooms and common areas throughout the day.
